

Miles to Minds

Three ways to help students dream bigger than their ZIP code.

BUY / GIVE / BUILD

OPEN DOORS. EXPAND POSSIBILITIES.

Help make purposeful college exposure more attainable through family and community support. Your participation can help students explore HBCUs, discover new possibilities, and take meaningful steps toward their future.

01 BUY

Popcorn for Possibilities

Purchase popcorn through our announced fundraiser and help support college-tour access.

Illustrative goal: \$400 in eligible sales at a 50% fundraising return produces \$200 in proceeds. Provider terms and allocation rules will be confirmed before launch.

Share with family, friends, coworkers, and neighbors.

02 GIVE

Sponsor My Journey

Contribute toward a participating student's documented college-tour balance.

Every amount helps. Four supporters giving \$25 each can provide \$100 toward a student's journey. Ask us for the approved payment method and student reference.

Support transportation, lodging, meals, and educational experiences.

03 BUILD

Open Doors Together

Invite businesses, churches, alumni groups, and community supporters to help expand access.

Suggested support levels:
\$100 - Possibility Supporter
\$250 - Campus Connection
\$500 - Future Builder
\$1,000 - Journey Partner

Contact us to discuss group sponsorship and recognition.
